LOCAL ATTRACTIONS:

Beijing is the capital of the People's Republic of China, the city's history dates back three millennia. As the last of the Four Great Ancient Capitals of China, Beijing has been the political center of the country for the past seven centuries. The city is renowned for its opulent palaces, temples, gardens, tombs, walls and gates. Its art treasures and universities have made it a center of culture and art in China. The Beijing Capital International Airport is the second busiest in the world by passenger traffic.

One of the Wonders of the Ancient World, the Great Wall of China was built between 220-206 BC by the first Emperor Qin. It is a series of fortifications made of stone, brick, tamped earth, wood, and other materials, constructed along an east-to-west line.
across the historical northern borders of China in part to protect the Chinese Empire or its prototypical states against intrusions from the Moghul nomads.
